Dear Ms. Sinram:

The National Republican Congressional Committee (FEC ID# C0075820) is in receipt of your Request for Additional Information dated June 11, 2010 regarding our 2010 May Monthly report.

The line 15 receipt from Automatic Data Processing (ADP) in the amount of \$925.97 represents reimbursement from ADP for COBRA payments made by COBRA participants to ADP in ADP's administration of the Committee's COBRA service. While there is no specific Committee disbursement to ADP to which this refund is tied, the Committee now makes its healthcare payments to Guardian Life Insurance Company.

The line 15 receipt from Meridian Imaging Solutions in the amount of \$ 4,000 represents the purchase of old Committee copier equipment by the Committee's new copier service provider. As such, there is no specific Committee disbursement to Meridian Imaging Solutions to which this reimbursement is tied.

The Line 15 receipt from The Freedom Project in the amount of \$ 936.36 results not from a payment made to this entity, but from payments made to Whitaker Askew.

The line 15 receipt from Theodore Clark/Theo Inc. in the amount of \$ 5,710.50 represents a reimbursement from an overbilling of a computer support payment in that amount made to Theo, Inc. on 2/5/10, which was reported on the Committee's March monthly report.

Edward Chastka donated \$ 500 on 2/24/10, a contribution itemized on Schedule A of the Committee's 2010 March monthly report. The donor requested a refund of this donation, and Committee issued a refund on 4/9/10. However, the donor had also originated a chargeback of the contribution, which was debited on 4/23/10. Each transaction has been accurately reported with respect to this donor. The Committee has contacted the donor regarding this matter.

Sincerely:

Keith A. Davis, Treasurer
National Republican Congressional Committee
